Re: Extend Time to respond to Application for Certificate of Convenience and Necessity.

Dear Mr. Waddell:

In response to being contacted by Mr. Darrell Whitis regarding the extension of time to complete the Application for Certificate of Convenience and Necessity, it is possible for Compass Telecommunications, Inc. to request another six months with the date of January 31, 2001. Compass Telecommunications, Inc. is not strategically placed to move into the Tennessee area right at this time. This would give us the opportunity to be prepared to be fully in compliance with all Tennessee regulatory issues.

Sincerely,

A handwritten signature in cursive script that reads "Terri McLeod".

Terri McLeod, Legal & Regulatory Administrator
Compass Telecommunications Inc.
